

SERVING MAINE'S COASTAL COMMUNITIES

EQUINOX ISLAND TRANSIT is a marine transportation service based in Rockland, Maine. We work statewide, contracting the movement of equipment, people and materials.

Equinox, a rugged 40 ft Young Brother's traditional downeast boat, was built by Clark Island Boatworks, well known for building superior seaworthy boats. We're available for custom charters. This Coast Guard annually-inspected vessel is outfitted with the latest safety gear and navigational instruments, piloted by a licensed and medically trained captain and deckhand.

We work within your parameters—be they timeline, volume or capacity. We're known for flexible scheduling. We'll coordinate all logistics in order to make your transport quick and safe. Call us for more information, (207) 236-6890.

Captains Susan Conover & John Morin

PO Box 824

Word around the harbors:

I recommend them. No reservation. Equinox Island Transit has transported my construction crews and materials daily, safely, dependably and consistently on time.

Peter Walker, Project Manager, Bruce Laukka, Inc.,
Rockport, ME

My company benefits from having a marine services team that is professional, creative and flexible in dealing with all logistics of events I manage at island sites. Equinox meets my standards. And manages to have fun doing it. Bravo Equinox !

Chuck Kruger, Entertainment Resources, Inc.,
Thomaston, ME

Our staff was totally intrigued with the history of Midcoast Maine. The MIV Equinox delivered a terrific team-building opportunity.

Cara Wincklhofer, Director, EF Educational Tours,
Cambridge, MA

Timely, last minute runs across the bay can be an essential ingredient for catering successful island weddings.

Stacey Glassman, Swan's Way Catering,
Lincolnton, ME

Equinox is not just a transportation service. They're tuned in. They understand the ebb and flow of island communities.

Eric Hopkins, Artist, North Haven, ME

We had a humongous circle of all my birthday party friends on the deck of Equinox. We explored an island, collected shells, swam and had a cool ride on a darn pretty boat.

Emma Rose Conover, Camden, ME
